

## **Closing Duties, Closer #3**

**Name:**

### **Tasks that can be started before closing:**

#### **Fill toppings**

- all toppings should be completely full in the morning for the opener
- Sometimes you need to flip toppings (when container is dirty or when topping is completely out) into a new container to wash the old one
- Fill blueberries and PB chocolate protein crumbles (and make sure there is a good amount of strawberries for the opener, esp on weekends!)

#### **Clean and Restock Dipping Cabinet**

- Take sorbet out of the dipping cabinet and clean both sides, condensing tubs if necessary
- Scrape the walls so almost all of the ice is gone (mainly focus on getting chunks and splatters of sorbet off of the walls, but get as much ice as you can off)
- Clean all of the ice and sorbet chunks from the bottom of the freezer
- Put sorbet tubs back in freezer like diagram shows
- Clean the OUTSIDE of the dipping cabinet as well, plus the sliding doors on top

### **Tasks started after closing:**

**Topping Station**

- Take cutting board off of place and bring to the back for dishwasher
- Bring all spoons and cutting board to dishwasher
- When all toppings are restocked, wipe down each container with each topping
- Cover each topping container for the night (dry toppings, fridge toppings and chias, and granolas)
- BEE POLLEN GOES IN THE FREEZER/DIPPING CABINET OVERNIGHT

### **Wipe BOH**

- Wipe surfaces and any stains on floor with a sani rag
- Wipe inside hood of fridge (above where the chia pudding sits)
- Close the hood when all ingredients are covered and wipe down the top of the hood
- Wipe down granola structure and the shelf under it

### **Take out trash**

- Prep area large garbage
- Prep area small garbage
- Seating area FOH garbage - both sides
- Two small garbages in back
- Outdoor garbage
- Recycling and tubs (fold down any cardboard boxes)

Help fellow deck hands with any additional tasks!
